

Kennedy Township Military Banner Program

Kennedy Township has always taken great pride in the men and women who have served our country in its time of need. Now we would like to take this opportunity to invite you to help us honor your friends and family from Kennedy Township who have served our great country.

The Military Banner Program salutes our brave men and women who are currently serving and those who have served in the military by creating and displaying a 24" by 36" military banner to be exhibited in Kennedy Township for years to come.

This program includes:

1. One 24" x 36" Military banner to be displayed by the Township
2. Two 12" x 18" replica banners for personal display

We've always tried to make the photo submitted as clean as possible for the banner at no additional charge; however, we have been receiving numerous requests for major edits such as:

1. Putting veterans in uniform
2. Removing people from the pictures
3. Adding sections to the photo to fill the banner frame
4. Changing backgrounds along with numerous other time consuming requests

We, therefore, have no choice but to add an additional \$20 minimum charge (depending on what changes are made) paid upon application submission detailing the request of change.

The ONE TIME cost to join the program is \$95 single side or \$135 double side. To have your veteran's banners created, please fill out the form below and submit it along with a check and a good quality Military Photograph (photo restoration is included). Additional 12"x18" replica banners can be purchased for \$20 each.
