

Garbage and Recyclables are picked up weekly. Please do not put out garbage prior to noon the day before your pick up date. For service, call Valley Waste at 724-843-9373. Recycle containers are available at the Township Municipal Building (340 Forest Grove Rd). Replacements or additional containers may be purchased for \$8.00 each. Charges for garbage pick-up, billed quarterly by Valley Waste, are \$46 per quarter. Pick up includes recycling of floss, metal, aluminum, plastic containers, newspaper, magazines, and removal of one large household item per week. Call ahead if you have a large item. Appliances, i.e. washers, dryers, stoves, refrigerators will also be picked up if you call ahead. Refrigerators and air conditioners will be picked up only if the Freon has been removed by a qualified agent and tagged as such. No more than four bags of grass clippings will be picked up. Tires, batteries and building materials are not accepted. Branches, bound and not exceeding four feet in length will be picked up at no charge by Valley Waste. The Township Road Department picks up leaves in the fall, bagged or curbside. The township trucks periodically check all streets for bagged or loose leaves.
