VEHICLE WEIGHT PERMIT

To prevent the paved roads of the Township of Kennedy from being broken and/or damaged by vehicles whose gross weight is in excess of 5-ton, a permit must first be obtained from the Chief of Police, Township Manager, Building Inspector or Township Secretary as a condition to use such roads:

I/We the undersigned operator, owner or custodian, do hereby agree to be held responsible for any and all damage to Township roadways as a result of operating vehicles exceeding a 5-ton weight upon such Kennedy Township roadway(s).
