

**TOWNSHIP OF KENNEDY
ALLEGHENY COUNTY, PENNSYLVANIA
ORDINANCE NO. 438**

AN ORDINANCE OF THE TOWNSHIP OF KENNEDY, COUNTY OF ALLEGHENY, COMMONWEALTH OF PENNSYLVANIA, AMENDING THE "SOLID WASTE ORDINANCES" NO. 295 AND NO. 369.

WHEREAS, the Township of Kennedy Board of Commissioners approved Ordinance Nos. 295 and 369 for the purpose of prohibiting the accumulation, burying and burning of garbage and other refuse materials upon private property in said municipality; and

WHEREAS, the Township of Kennedy Board of Commissioners has determined that it is in the best interest of the public to require that all garbage, rubbish and other refuse materials be conveyed to a transportation, processing or disposal facility designated by the municipal officials; and

WHEREAS, the Kennedy Township Board of Commissioners has deemed it necessary to regulate the care and removal of garbage, rubbish and other refuse materials only by licensed collectors in said municipality and provide penalties for the violation of this ordinance.

NOW, THEREFORE BE IT ORDAINED AND ENACTED by the Board of Commissioners of the Township of Kennedy that the following addendum be added to Ordinance No. 369:

- D.** All residential garbage, rubbish and recyclable material will be picked up once per week at curbside:
1. Garbage, rubbish and other refuse material is not to be placed at curbside until 12:00 p.m. the day preceding pick up date.
 2. Removal of one (1) large household item per week is permitted. Large items include but are not limited to furniture and appliances (washer, dryer, stove).
 3. Refrigerators and air conditioners will be picked up only if the freon has been completely removed by a qualified agent and is tagged as such.

H. PENALTIES

Any person who violates any provision of this Ordinance shall, upon conviction, be guilty of a misdemeanor which is punishable by a fine of not less than one hundred dollars (\$100.00) for the first infraction and fines of up to six hundred dollars (\$600.00) for each succeeding infraction, or in default of payment of such fine, then by imprisonment for a period of not more than thirty (30) days, or both. Each day of violation shall be considered a separate and distinct offense.

Any ordinance or parts of any ordinances conflicting with the provisions of this ordinance are hereby repealed to the extent of such conflict.

This Ordinance shall become effective the first day of May in the year of 2007.

SOLID WASTE ORDINANCE OF THE TOWNSHIP OF KENNEDY

ORDINANCE NO. 369

WHEREAS, the Township Commissioners of the Township of Kennedy deem it necessary, in order to protect and preserve the peace and quiet of its citizens, and to promote the general welfare of the community:

NOW THEREFORE be it ordained and enacted by the Commissioners of the Township of Kennedy, Allegheny County, Pennsylvania, and it is ordained and enacted by the authority of the same that:

- A. The collection of garbage, rubbish and bulky wastes from individual residences and multifamily residential sources will be through a contract with a private collector or collectors to provide essential collection services.
- B. All households and homeowners shall utilize the residential collection service(s) contracted by the municipality unless they can demonstrate that they have made alternative arrangements that are consistent with this article and approved by the municipality.
- C. All multifamily residential sources (with four [4] or more units), commercial, institutional and industrial establishments shall be serviced by a collector who can demonstrate that they are consistent with this article and approved by the municipality.
- D. All residential garbage, rubbish and recyclable material will be picked up once per week at curbside. Removal of one (1) large household item per week is permitted. Appliances (e.g. washers, dryers, stoves and refrigerators will be picked up each Thursday (subject to change). Residents must telephone the collector to arrange to have appliances picked up. *NOTE: refrigerators and air conditioners will be picked up only if the freon has been completely removed by a qualified agent and is tagged as such.*
- E. All commercial, institutional, public and industrial lunchroom and office waste containing garbage shall be collected at least once per week. Rubbish collection from these sources shall be made as often as necessary to control health hazards, odors, flies and unsightly conditions. The municipality reserves the right to require more frequent collection when deemed necessary.
- F. Residential collection schedules shall be published regularly by the municipality or its contracted collector.
- G. All solid waste collection activity shall be conducted from Monday through Saturday between the hours of 6:00 A.M. and 10:00 P.M. unless prior approval of any exceptions have been granted by the municipality. No collection, hauling or transporting of solid waste shall be permitted on Sundays.

H. All licensed haulers and collectors under the contract with the municipality shall comply with the following standards and regulations:

(1) All municipal waste collection within the municipality shall ultimately be disposed of only at a landfill with a solid waste plan as cited by the county in which the waste will be disposed of.

(2) Any truck or other vehicle used for the collection and transportation of municipal waste must comply with the requirements of Act 79 and the department regulations adopted pursuant to Act 79 and must be licensed by the county in which they are registered to do business.

ORDAINED AND ENACTED into law by the Board of Commissioners of the Township of Kennedy in lawful session assembled this tenth Day of November 1998.

TOWNSHIP OF KENNEDY

Paul H. Bingham, Manager
Township of Kennedy

By: 

Arthur J. Keenan, President
Township of Kennedy
Board of Commissioners

**SOLID WASTE ORDINANCE
KENNEDY TOWNSHIP
ALLEGHENY COUNTY, PENNSYLVANIA
ORDINANCE NO 295**

AN ORDINANCE of the TOWNSHIP OF KENNEDY, Allegheny County, Pennsylvania, prohibiting the accumulation, burying, and burning of garbage and other refuse materials upon private property in said municipality, except in accordance with the provisions of this ordinance; requiring that all garbage, rubbish, and other refuse be conveyed to a transportation, processing or disposal facility designated by the municipal officials; regulating the care and removal of garbage, rubbish, and other refuse materials and providing for the collection of garbage, rubbish, and other refuse materials only by licensed collectors in said municipality; the establishment of fees and charges for the collection of garbage, rubbish, and refuse in said municipality; and providing penalties for the violation of this ordinance.

WHEREAS, pursuant to the authority vested to the municipality by the Pennsylvania Solid Waste Management of 1980 (Act 197), the TOWNSHIP OF KENNEDY is desirous of enacting an Ordinance regulating the storage, collection, and disposal of rubbish, refuse, and garbage in the municipality.

NOW, THEREFORE, the TOWNSHIP OF KENNEDY, Allegheny County, Pennsylvania hereby enacts and ordains as follows:

SECTION 1: SHORT TITLE

This Ordinance shall be known and referred to as the "Solid Waste Ordinance."

SECTION II: DEFINITIONS

The following words and phrases as used in this ordinance shall have the meaning ascribed herein, unless the context clearly indicates a different meaning:

Act or Act 97 - The Pennsylvania Solid Waste Management Act of 1980 (P.L. 380, No. 97, July 7, 1980).

Agricultural Waste - means poultry and livestock manure, or residual materials in liquid or solid form, generated in the production, and marketing of poultry, livestock, fur-bearing animals and their products, provided such waste is not a hazardous waste. The term includes the residual materials generated in producing, harvesting, and marketing of all agronomic, horticultural, silvicultural and agricultural crops or commodities grown on what are usually recognized and expected as farms, forests, or other agricultural lands.

Bulky Waste - means large items of solid waste including but not limited to appliances, furniture, large auto parts, trees, branches or stumps which may require special handling due to their size, shape, or weight.

Commercial Establishment - means any establishment engaged in non-manufacturing or nonprocessing business, including, but not limited to, stores, markets, office buildings, restaurants, shopping centers and theaters.

Construction Demolition Waste - means all municipal and residual waste building materials, grubbing waste, and rubble resulting from construction, remodeling, repair and demolition operations on houses, commercial buildings and other structures and pavements.

Department - shall mean the Pennsylvania of Environmental Resources.

Disposal - means the incineration, deposition, injection, dumping, spilling, leaking, or placing of solid waste into or on the land or water in a manner that the solid waste or a constituent of the solid waste enters the environment, is emitted into the air or is discharged to the waters of the Commonwealth of Pennsylvania.

Domestic Waste or Household Waste - means solid waste, comprised of garbage and rubbish, which normally originates in the residential private household or apartment house.

Garbage - means any solid waste derived from animal, grain, fruit, or vegetable matter that is capable of being decomposed by microorganisms with sufficient rapidity to cause such nuisances as odors, gases, or vectors.

Hauler or Private Collector - means any person, firm, copartnership, association or corporation who has been licensed by the Municipality or its designated representative to collect, transport, and dispose of refuse for a fee as herein prescribed.

Hazardous Waste - means any solid waste or combination of solid wastes, as defined in the Act, which because of its quantity, concentration or physical, chemical, or infectious characteristics may: (1) cause or significantly contribute to an increase in mortality or an increase in morbidity in either an individual or the total population; or (2) pose a substantial present or potential hazard to human health or the environment when improperly treated, stored, transported, disposed of or otherwise managed.

Industrial Establishment - means any establishment engaged in manufacturing or processing, including by not

limited to factories, foundries, mills, processing plants, refineries, mines and slaughterhouses.

Institutional Establishment - means any establishment engaged in service, including but not limited to hospitals, nursing homes, orphanages, schools and universities.

Municipal Waste - means garbage, refuse, industrial lunchroom or office waste and other material including solid, liquid, semi-solid or contained gaseous material resulting from operation of residential, municipal, commercial or institutional establishments and from community activities; and any sludge not meeting the definition of residual or hazardous waste under Act 97 from a municipal, commercial or institutional water supply treatment plant, wastewater treatment plant, or air pollution control facility. The term does not include source separated recyclable materials.

Municipality - shall mean the Township of Kennedy, Allegheny County, Pennsylvania.

Person - means any individual, partnership, corporation, association, institution, cooperative enterprise, State institution and agency, or any other legal entity which is recognized by law as the subject of rights and duties. In any provisions of the Ordinance prescribing a fine, imprisonment or penalty, or any combination of the foregoing, the term person shall include the officers and directors of any corporation or other legal entity having officers and directors.

Processing - means any technology used for the purpose of reducing the volume or bulk of municipal or residual waste or any technology used to convert part of all of such waste materials for off-site reuse. Processing facilities include, but are not limited to, transfer facilities, composting facilities, and resource recovery facilities.

Refuse - means all solid waste materials which are discarded as useless.

Residual Waste - means any garbage, refuse, other discarded material or other waste including solid, liquid, semi-solid, or contained gaseous materials resulting from industrial, mining or agricultural water supply treatment facility, wastewater treatment facility or air pollution control facility, provided that it is not hazardous. The term residual waste shall not include coal refuse as defined in the "Coal Refuse Disposal Control Act." Residual waste shall not include treatment sludges from coal mine drainage treatment plants, disposal of which is being carried on pursuant to and in compliance with a valid permit issued pursuant to "The Clean Streams Law."

Rubbish - means all non-putrescible municipal waste except garbage and other decomposable matter. This category includes but is not limited to ashes, bedding, cardboard, cans, crockery, glass, paper, wood and yard cleanings.

Scavenging - means the unauthorized and uncontrolled removal of material placed for collection or from a solid waste processing or disposal facility.

Sewage Treatment Residues - shall mean any coarse screenings, grit and dewatered or air-dried sludges from sludges from sewage treatment plants and pumping from septic tanks or septage which are a municipal solid waste and require proper disposal under Act 97.

Solid Waste - means any waste, including, but not limited to, municipal, residual or hazardous wastes, including solid, liquid, semi-solid or contained gaseous material.

Source Separated Recyclable Materials - shall mean materials separated at the point of origin for the purpose of being recycled.

Storage - means the containment of any waste on a temporary basis in such a manner as not to constitute disposal of such waste. It shall be presumed that the containment of any waste in excess of one year constitutes disposal. This presumption can be overcome by clear and convincing evidence to the contrary.

Transportation - means the off-site removal of any solid waste at any time after generation.

Transfer Station - means any supplemental transportation facility used as an adjunct to solid waste route collection vehicles.

In this Ordinance, the singular shall include the plural and the masculine shall include feminine and the neuter.

SECTION III. PROHIBITED ACTIVITIES

1. It shall be unlawful for any person to accumulate or permit to accumulate, upon any public or private property within the Municipality, any garbage, rubbish, bulky waste, or any other municipal or residual solid waste except in accordance with the provisions of the Ordinance, any Department rules and regulations adopted pursuant to Act 97 and the Health Department Rules and Regulations, Article VIII.

2. It shall be unlawful for any person to burn any solid waste within the Municipality except in accordance with the provisions of this Ordinance, any Department rules and regulations adopted pursuant to Act 97 and the Health Department Rules and Regulations, Article VIII.
3. It shall be unlawful for any person to dispose of any solid waste in the Municipality except in accordance with the provisions of this Ordinance, any Department rules and regulations adopted pursuant to Act 97 and the Health Department Rules and Regulations, Article VIII.
4. It shall be unlawful for any person to haul, transport, collect, or remove any solid waste from public or private property within the Municipality without first securing a license to do so in accordance with the provisions of this Ordinance.
5. It shall be unlawful for any person to scavenge any materials from any solid waste that is stored or deposited for collection within the Municipality without prior approval by the Municipality.
6. It shall be unlawful for any person to salvage or reclaim any solid wastes within the Municipality except at an approved and permitted resource recovery facility under Act 97 and any Department rules and regulations adopted pursuant to Act 97.
7. It shall be unlawful for any person to throw, place or deposit, or cause or permit to be thrown, placed or deposited any solid waste in or upon any street, alley, sidewalk, body of water, public or private property within the Municipality except as provided in this Ordinance.

SECTION IV: STANDARDS FOR STORAGE OF SOLID WASTE

1. The storage of all solid waste shall be practiced so as to prevent the attraction, harborage or breeding of insects or rodents, and to eliminate conditions harmful to public health or which create safety hazards, odors, unsightliness or public nuisances.
2. Any person producing municipal waste shall provide a sufficient number of approved containers to store all waste materials generated during periods between regularly scheduled collections, and shall place and store all waste materials therein.
3. Any person storing municipal waste for collection

shall comply with the following preparation standards:

- a. All municipal waste shall be drained of free liquids before being placed in storage containers.
 - b. All garbage or other putrescible waste shall be securely wrapped in paper, plastic or similar material or placed in properly tied plastic bags.
 - c. All cans, bottles or other food containers should be rinsed free of food particles and drained before being placed in storage containers.
 - d. Garden clippings and tree trimmings shall be placed in approved containers or shall be cut and tied securely into bundles. Bundles shall be not more than two (2) feet in diameter and not more than forty (40) pounds in weight.
 - e. Newspapers and magazines shall be placed in approved containers or shall be tied securely into bundles of not more than (40) pounds in weight.
 - f. When specified by the Municipality or its designated representative, special preparation and storage procedures may be required to facilitate the collection and resource recovery of certain waste materials.
4. All municipal waste shall be stored in containers approved by the Municipality or its designated representative. Individual containers and bulk containers utilized for storage of municipal waste shall comply with the following standards:
- a. Reusable containers shall be constructed of durable, watertight, rust and corrosion resistant material, such as plastic, metal or fiberglass, in such a manner as to be leak-proof, weather-proof, insect-proof, and rodent-proof.
 - b. Reusable containers for individual residences shall have a tight-fitting cover and suitable lifting handles to facilitate collection.
 - c. Reusable containers for individual residences shall have a capacity of not less than ten (10) gallons nor more than (40) gallons, and a

loaded weight of not more than forty (40) pounds.

- d. Disposable plastic bags or sacks are acceptable containers provided the bags are designated for waste disposal. Plastic bags shall have sufficient wall strength to maintain physical integrity when lifted by the top, shall be securely tied at the top for collection, and shall have a capacity of not more than thirty (30) gallons and a loaded weight of not more than thirty-five (35) pounds.
 - e. All containers, either reusable or disposable, shall also comply with the minimum standards established by the National Sanitation Foundation.
5. Any person storing municipal waste for collection shall comply with the following storage standards:
- a. Containers shall be kept tightly sealed or covered at all times. Solid waste shall not protrude or extend above the top of the container.
 - b. Reusable containers shall be kept in a sanitary condition at all times. The interior of the containers shall be thoroughly cleaned, rinsed, drained and disinfected, as often as necessary, to prevent the accumulation of liquid residues or solids on the bottom or sides of the containers.
 - c. Containers shall be used and maintained so as to prevent public nuisances.
 - d. Containers that do not conform to the standard of this Ordinance or which have sharp edges, ragged edges or any other defect that may hamper or injure collection personnel shall be promptly replaced by the owner upon notice from the Municipality or its designated representative.
 - e. Containers shall be placed by the owner or customer at a collection point specified by the Municipality or its designated representative.
 - f. With the exception of pick-up days when the containers are placed out for collection, the containers shall be properly stored on the owner or customer premises at all times.
 - g. Bulk waste items such as furniture,

automobile parts, machinery, appliances, and tires shall be stored in a manner that will prevent the accumulation of collection of water, the harborage of rodents, safety hazards and fire hazards.

6. The storage of all municipal waste from multi-family residential units, commercial establishments, institutions and industrial lunchroom or office waste sources is subject to the regulations and standards set forth in this Ordinance. The type, size and placement requirements for bulk containers shall be determined by the waste generator and the waste hauler, and are subject to approval by the Municipality.

SECTION V: STANDARDS AND REGULATIONS FOR COLLECTION

1. The Municipality shall provide for the collection of all garbage, rubbish, and bulky wastes from individual residences and multi-family residential sources with less than four units, or it may contract with a private collector or collectors to provide this essential residential collection service.
2. All households and homeowners shall utilize the residential collection service provided by the Municipality unless they can demonstrate that they have made alternate arrangements that are consistent with this Ordinance and approved by the Municipality.
3. All multi-family residential sources (with more than four units), commercial, institutional, and industrial establishments shall negotiate and individually contract collection service with the Municipality's collector or any other properly licensed waste hauler of their choice.
4. All residential garbage and rubbish shall be collected at least once a week. Bulky wastes shall be collected following prior arrangement with the Municipality's collector and payment of any required special fees.
5. All commercial, institutional, public and industrial lunchroom and office waste containing garbage shall be collected at least once a week. Rubbish collection from these sources shall be made as often as necessary to control health hazards, odors, flies and unsightly conditions. The Municipality reserves the right to require more frequent collection when deemed necessary.

6. Residential collection schedules shall be published as necessary, by the Municipality or its contracted hauler.
7. All solid waste collection activity shall be conducted from Monday through Friday between the hours of 5AM and 7PM or on Saturdays between the hours of 8AM and 7PM unless prior approval or any exception has been granted by the Municipality. No collection, hauling, or transporting of solid waste shall be permitted on Sunday.
8. All licensed haulers and haulers under contract with the Municipality shall comply with the following standards and regulations:
 - a. All municipal waste collected within the Municipality shall ultimately be disposed only at a landfill cited in the Allegheny County Solid Waste Plan-1990 or on subsequent revisions thereto.
 - b. Any trucks or other vehicles used for the collection and transportation of municipal waste must comply with the requirements of Act 97, and any Department regulations adopted pursuant to Act 97 and must be licensed by the Allegheny County Health Department.
 - c. All collection vehicles conveying domestic waste and garbage shall be watertight and suitably enclosed to prevent leakage, roadside littering, attraction of vectors, the creation of odors and other nuisances.
 - d. Collection vehicles for rubbish and other nonputrescible solid waste shall be capable of being enclosed or covered to prevent roadside litter and other nuisances.
 - e. All solid waste shall be collected and transported so as to prevent public health hazards, safety hazards and nuisances.
 - f. All solid waste collection vehicles shall be operated and maintained in a clean and sanitary condition.

SECTION VI: COLLECTION AND DISPOSAL CHARGES

1. The governing body of the municipality shall be authorized to make funds available, in accordance with the laws and procedures of the municipality,

for the establishment, maintenance, and operation of a municipal solid waste collection and disposal system; or for the a contracting of such service to a private collector.

2. Annual fee schedules (if appropriate) shall be published by the Municipality on any competitively bid residential collection service contract that may be awarded by the Municipality.
3. The Municipality's contracted hauler and other licensed haulers shall be responsible for the collection of any fees for solid waste collection and disposal services provided to residential, commercial, institutional, or industrial sources within the Municipality.

SECTION VII: ADMINISTRATIVE APPEALS

1. All appeals shall be made in writing to the governing body of the Municipality.
2. Pending a reversal or modification, all decisions of the Municipality shall remain effective and enforceable.
3. Appeals may be made by the following persons:
 - a. Any person who is aggrieved by a new standard or regulation issued by the Municipality may appeal within ten (10) days after the Municipality gives notice of its intention to issue the new standard or regulation.
4. The notice of appeal shall be served in writing and sent by certified mail with return receipt requested. Within twenty (20) days after receipt of the notice of appeal, the Municipality shall hold a public hearing. Notice of the hearing shall be sent to both parties in time to adequately prepare for the hearing. Notice shall be sent to the parties by certified mail with return receipt requested at the last known address in addition to publication in the local newspaper.

SECTION VIII: INJUNCTION POWERS

The Municipality may petition the Allegheny County Court of Common Pleas for an injunction, either mandatory or prohibitive, to enforce any of the provisions of this Ordinance.

SECTION IX: PENALTIES:

Any person who violates any provision of this Ordinance shall, upon conviction, be guilty of a misdemeanor which is punishable by a fine of not less than \$ 50.00 , nor more than \$ 300.00, or in default of payment of such fine, than by imprisonment for a period of not more than 30 days, or both. Each day of violation shall be considered a separate and distinct offense.

SECTION X: SEPARABILITY

In the event that any section, paragraph, sentence, clause, or phrase of this Ordinance be declared unconstitutional or invalid for any reason, the remainder of such Ordinance shall not be invalidated by such action.

SECTION XI: CONFLICT

Any ordinances or any part of any ordinance which conflict with this Ordinance are hereby repealed insofar as the same affects this Ordinance.

SECTION XII: EFFECTIVE DATE

This Ordinance shall take effect on December 12, 1991.

ENACTED AND ORDAINED into an Ordinance this the 12th day of December, 1991.
